## ABOUT COMPANY

Welcome to our tech-based company! We specialize business development strategies and innovative software solutions that help businesses increase their online presence, boost sales, and streamline day-to-day operations.

We pride ourselves on delivering customized Digital marketing & software solutions that are tailored to meet the unique needs of our clients. We work closely with our clients to understand their specific goals and objectives, and we leverage our expertise and experience to develop solutions that exceed their expectations.

*YOUR FUTURE  
TECH  
SOLUTIONS:  
DIGIRISE TECH  
SOLUTIONS Pvt  
Ltd*

# WHY CHOOSE US

*Embrace the  
digital  
revolution*

Our company specializes in leveraging technology to provide expertise, data-driven insights, scalability, flexibility, and innovation, allowing our clients to enhance their marketing efforts, reach their targeted audience, gain valuable insights, and stay competitive in the dynamic digital landscape.

**Continuous  
learning and  
adaptability**

We adapt to evolving algorithms, platforms, and consumer behavior, staying ahead of trends, experimenting with new strategies, and refining our approach for optimal performance.

**Results-oriented  
mindset**

We set clear goals, monitor performance, and make data-driven adjustments to maximize ROI for our clients.

# MEET THE TEAM

We believe in the power of collaboration and the strength that comes from a diverse and talented team. Get to know the individuals who are passionate about driving our company's success and delivering exceptional results to our clients.

**Mamatha A E**

MANAGING DIRECTOR

*I bring extensive expertise and a strategic mindset to drive the company's success and growth. With a proven track record in the industry, I am responsible for overseeing the day-to-day operations, leading the executive team, and ensuring that our business objectives are achieved.*

**Chandrashekar  
K M**

FOUNDER & CEO

*As a data-driven leader, I set ambitious goals, establish key performance indicators, and closely monitor our progress. I believe in leveraging data and insights to make informed decisions, identify areas for improvement, and optimize our performance. Our focus is on maximizing return on investment (ROI) for our clients and driving their success.*

**Shivani Nag**

CONTENT DEVELOPER

*My role involves researching, ideating, and creating content across various platforms and channels, including blogs, social media, website copy, email newsletters, and more. I leverage my strong writing skills, creativity, and attention to detail to develop content that effectively communicates our brand's message and captures the interest of our audience.*

**Prashanth v**

DIGITAL MARKETING  
HEAD

*As the Digital Marketing Head, I foster a collaborative and innovative environment within the team. I encourage creativity, experimentation, and continuous learning to stay agile and adapt to evolving market trends. I provide guidance, mentorship, and professional development opportunities to ensure that our team members thrive and excel in their roles.*

**Rahul Shetty**

RESEARCH ANALYST

*As a Research Analyst within a branding company, my primary responsibility is to collect, analyze, and synthesize data related to market trends, consumer behavior, and competitors. This vital role allows me to provide critical insights that inform and shape effective branding strategies for our clients.*

# OUR SERVICES

## Website Development

We specialize in website development, crafting impactful online platforms that effectively communicate your brand's message and drive conversions. We build websites that sell.

## Digital Marketing

Digital marketing involves managing a company's online presence and promoting its products or services through various digital channels to engage customers, enhance brand visibility, and ultimately drive business growth.

## Software Solutions

We create customized software solutions that give our clients a competitive edge. Our team collaborates closely, designing personalized applications that meet their unique requirements.

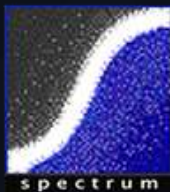

## Brand Consultation

Brand consultation involves providing businesses with expert guidance on how to develop, manage, and enhance their brand image. This helps businesses establish a strong brand identity, communicate their message effectively, and differentiate themselves from competitors in the market.

# OUR CLEINTS

Our commitment to quality has earned continued collaboration from satisfied clients, as we work together to build and strengthen their brands.

Spectrum, a well-established 33-year-old company with a workforce of over 600, specializes in engineering molded components and LED lighting manufacturing. They joined forces with Digirise to renovate their website and enhance their branding efforts.

DESIGN STUDIO

Ven Design Studio, a budding architecture startup, partnered with us for website design and development, as well as comprehensive digital marketing services, including social media management. Our efforts have consistently yielded positive and significant results for them.

A construction and architecture company with two decades of experience in Bangalore has partnered with Digirise for branding and marketing efforts. We have successfully generated high-quality leads and creative content for social media.

Madhu Sewing Machines, in collaboration with us as their marketing partners, exclusively deals in industrial sewing machines and has catered to over one million customers.
